

# WORMS

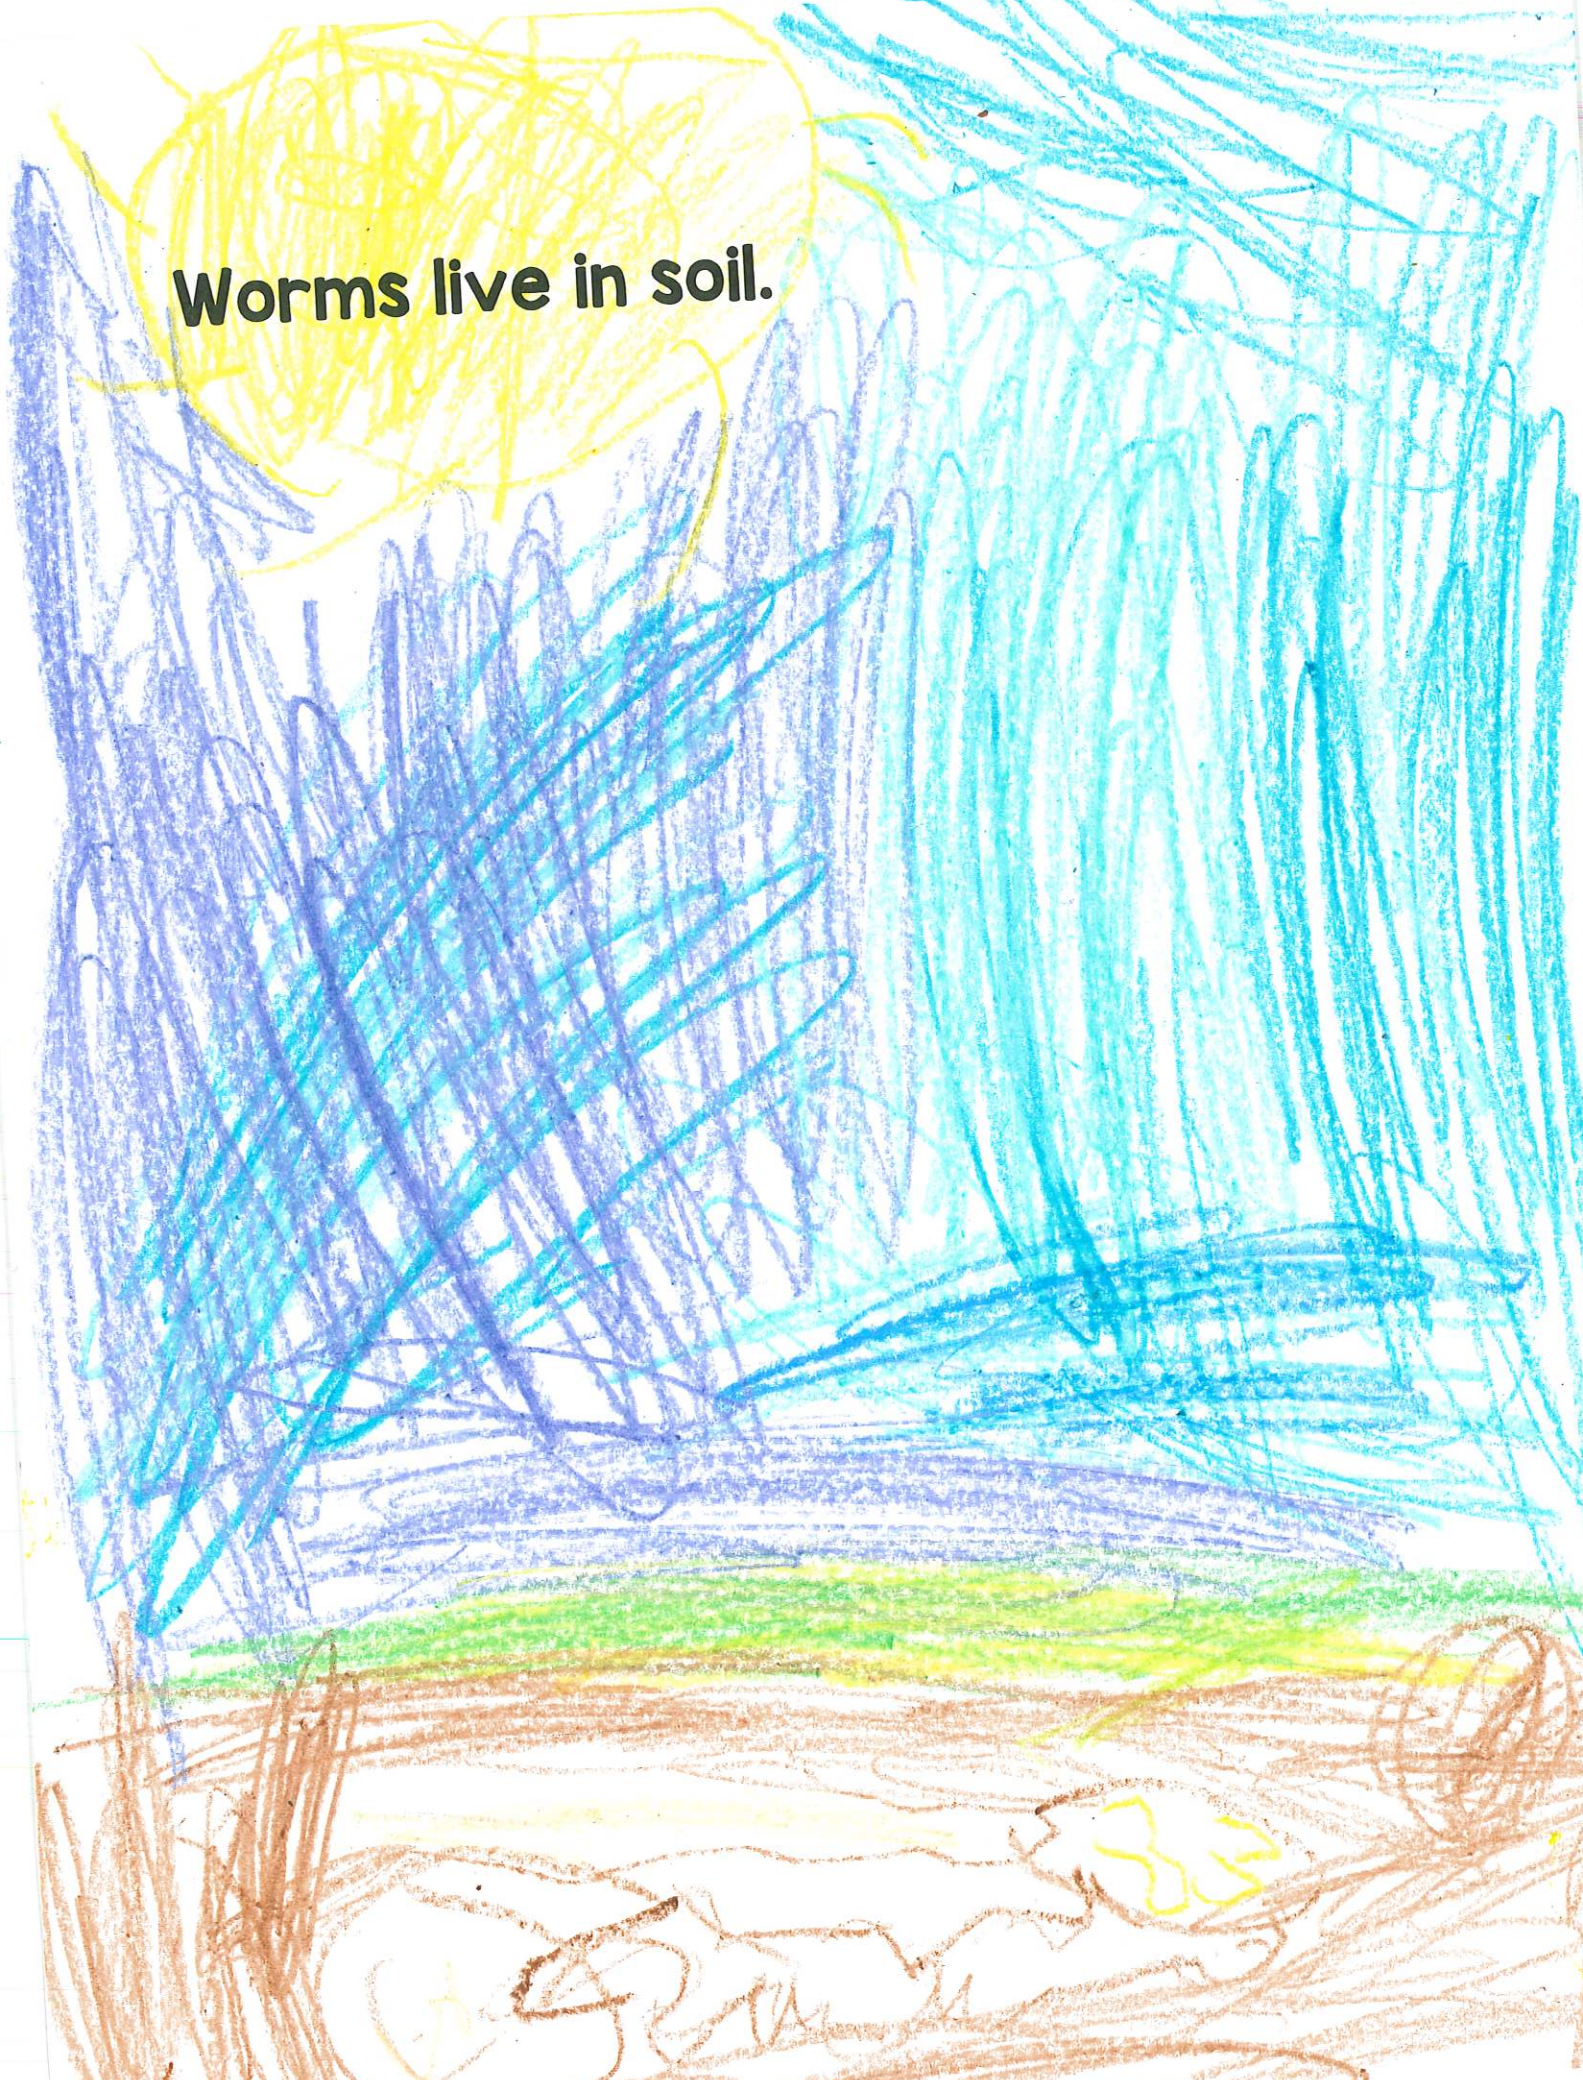

By Mr. Eubanks  
Kindergarten Class  
April 2023

**Worms have a head with a mouth.**

**Worms live in soil.**

**Worms are pink and red.**

**Fish and birds eat worms.**

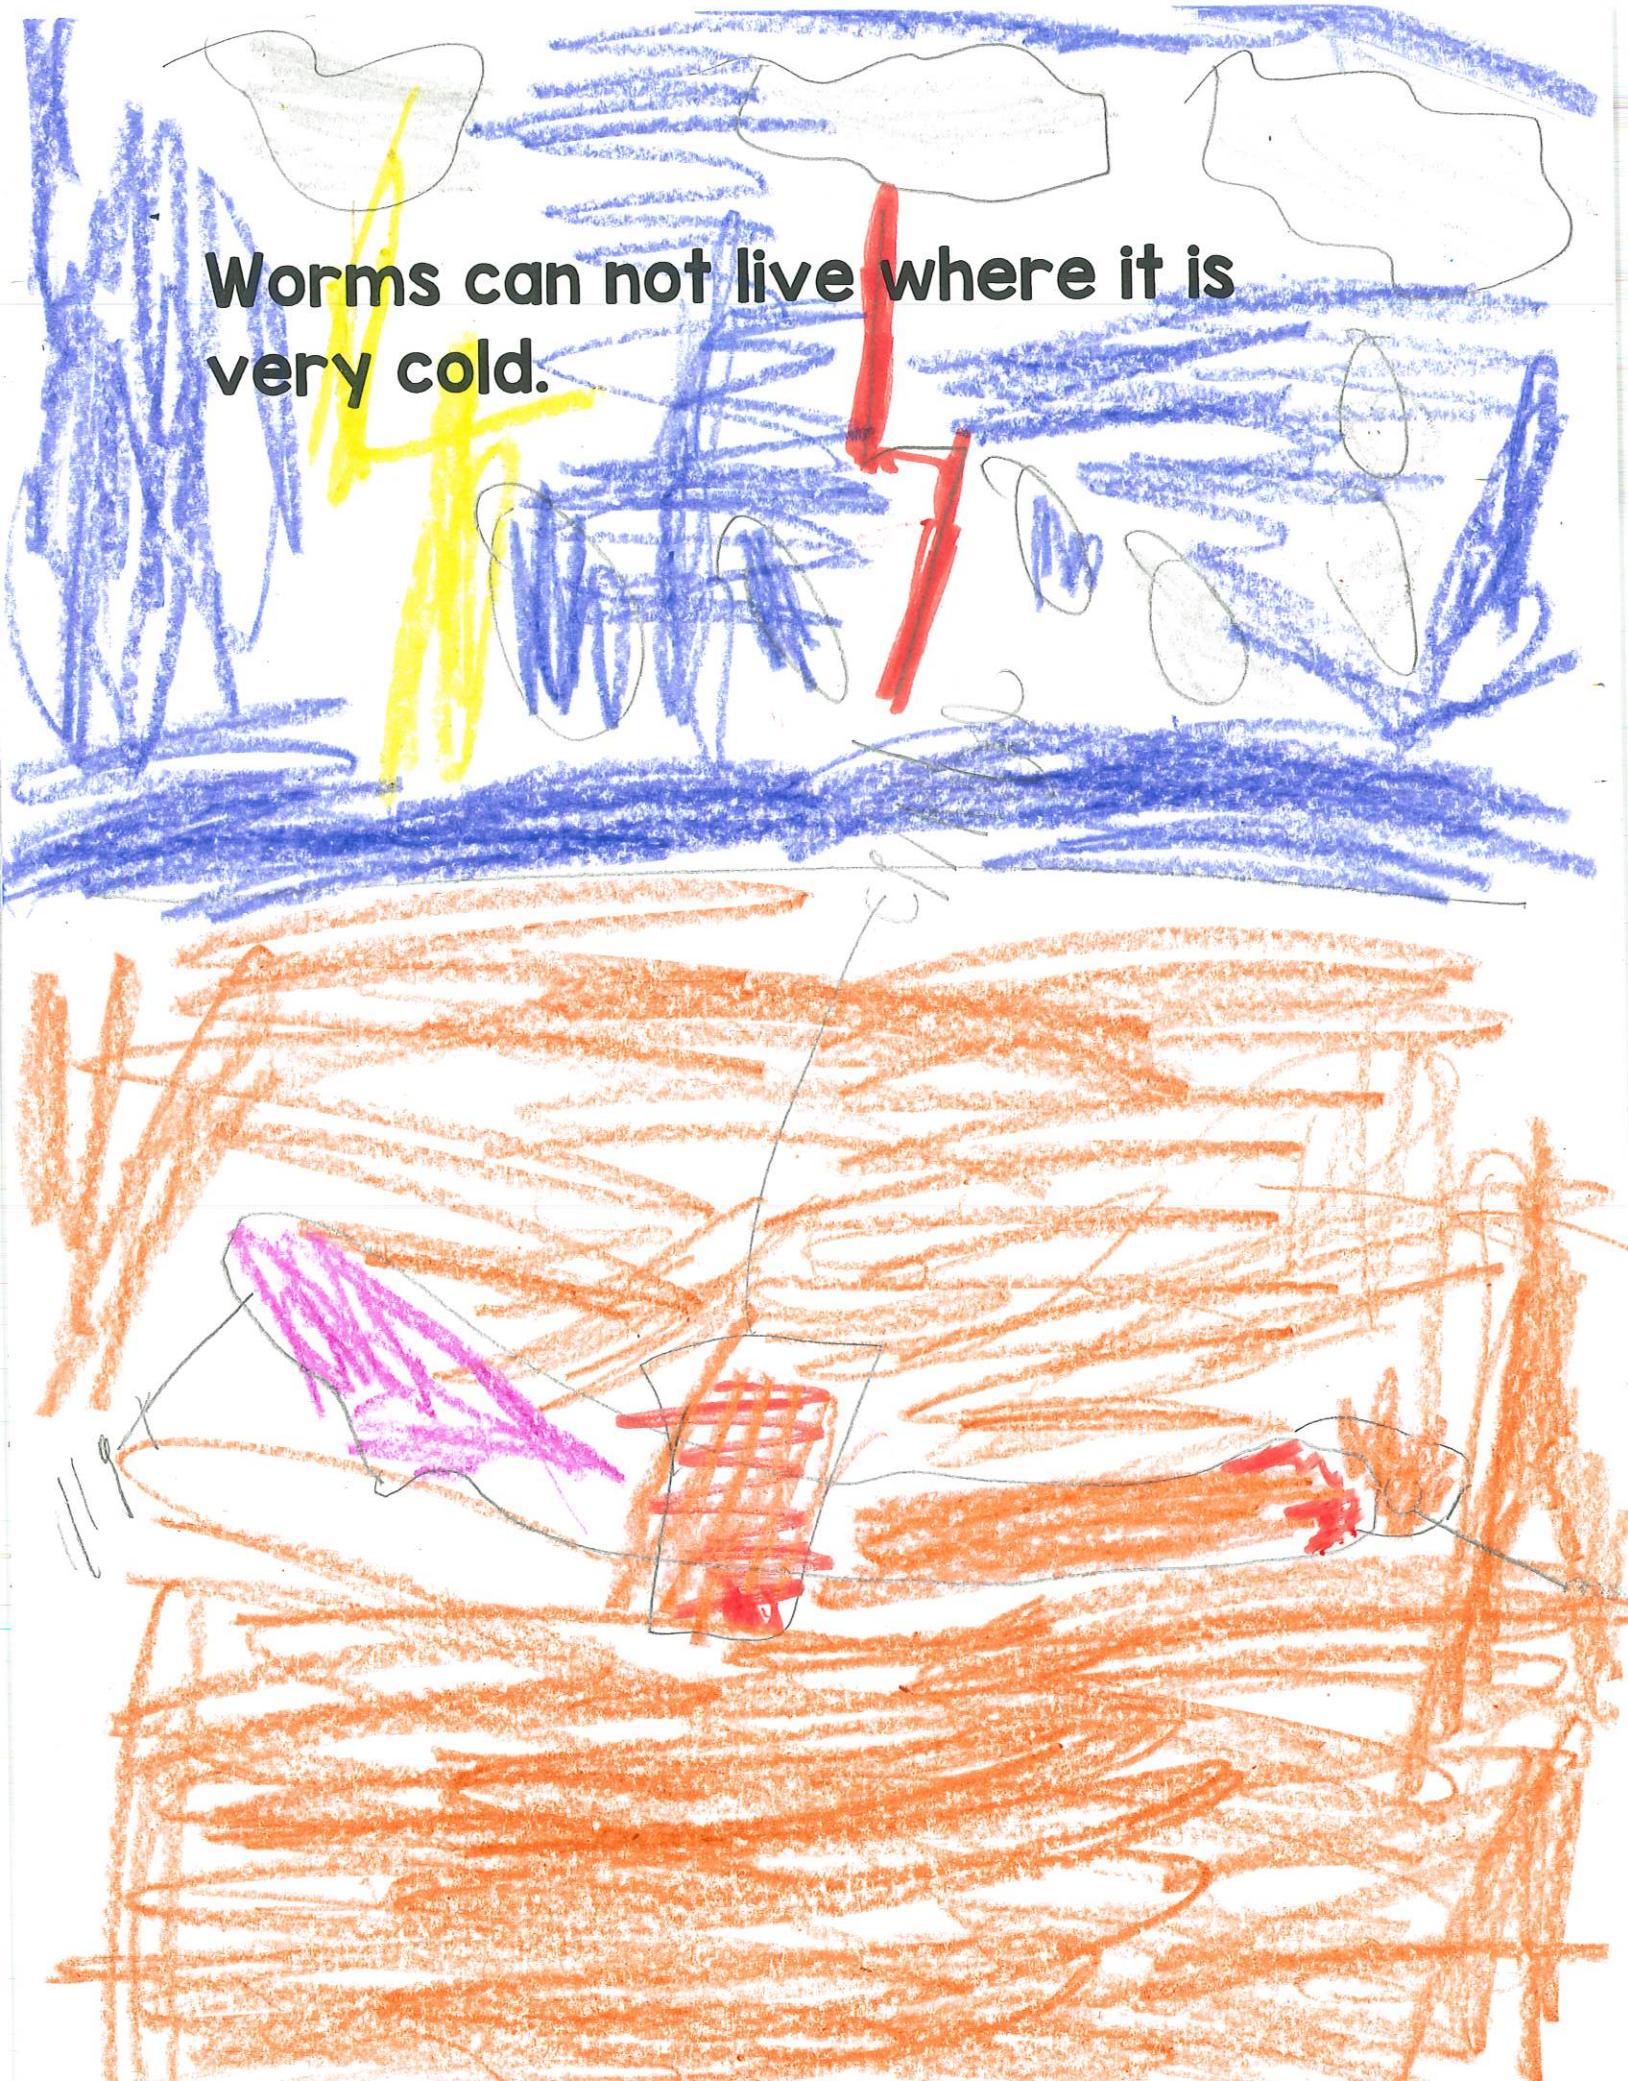

Worms have to stay wet.

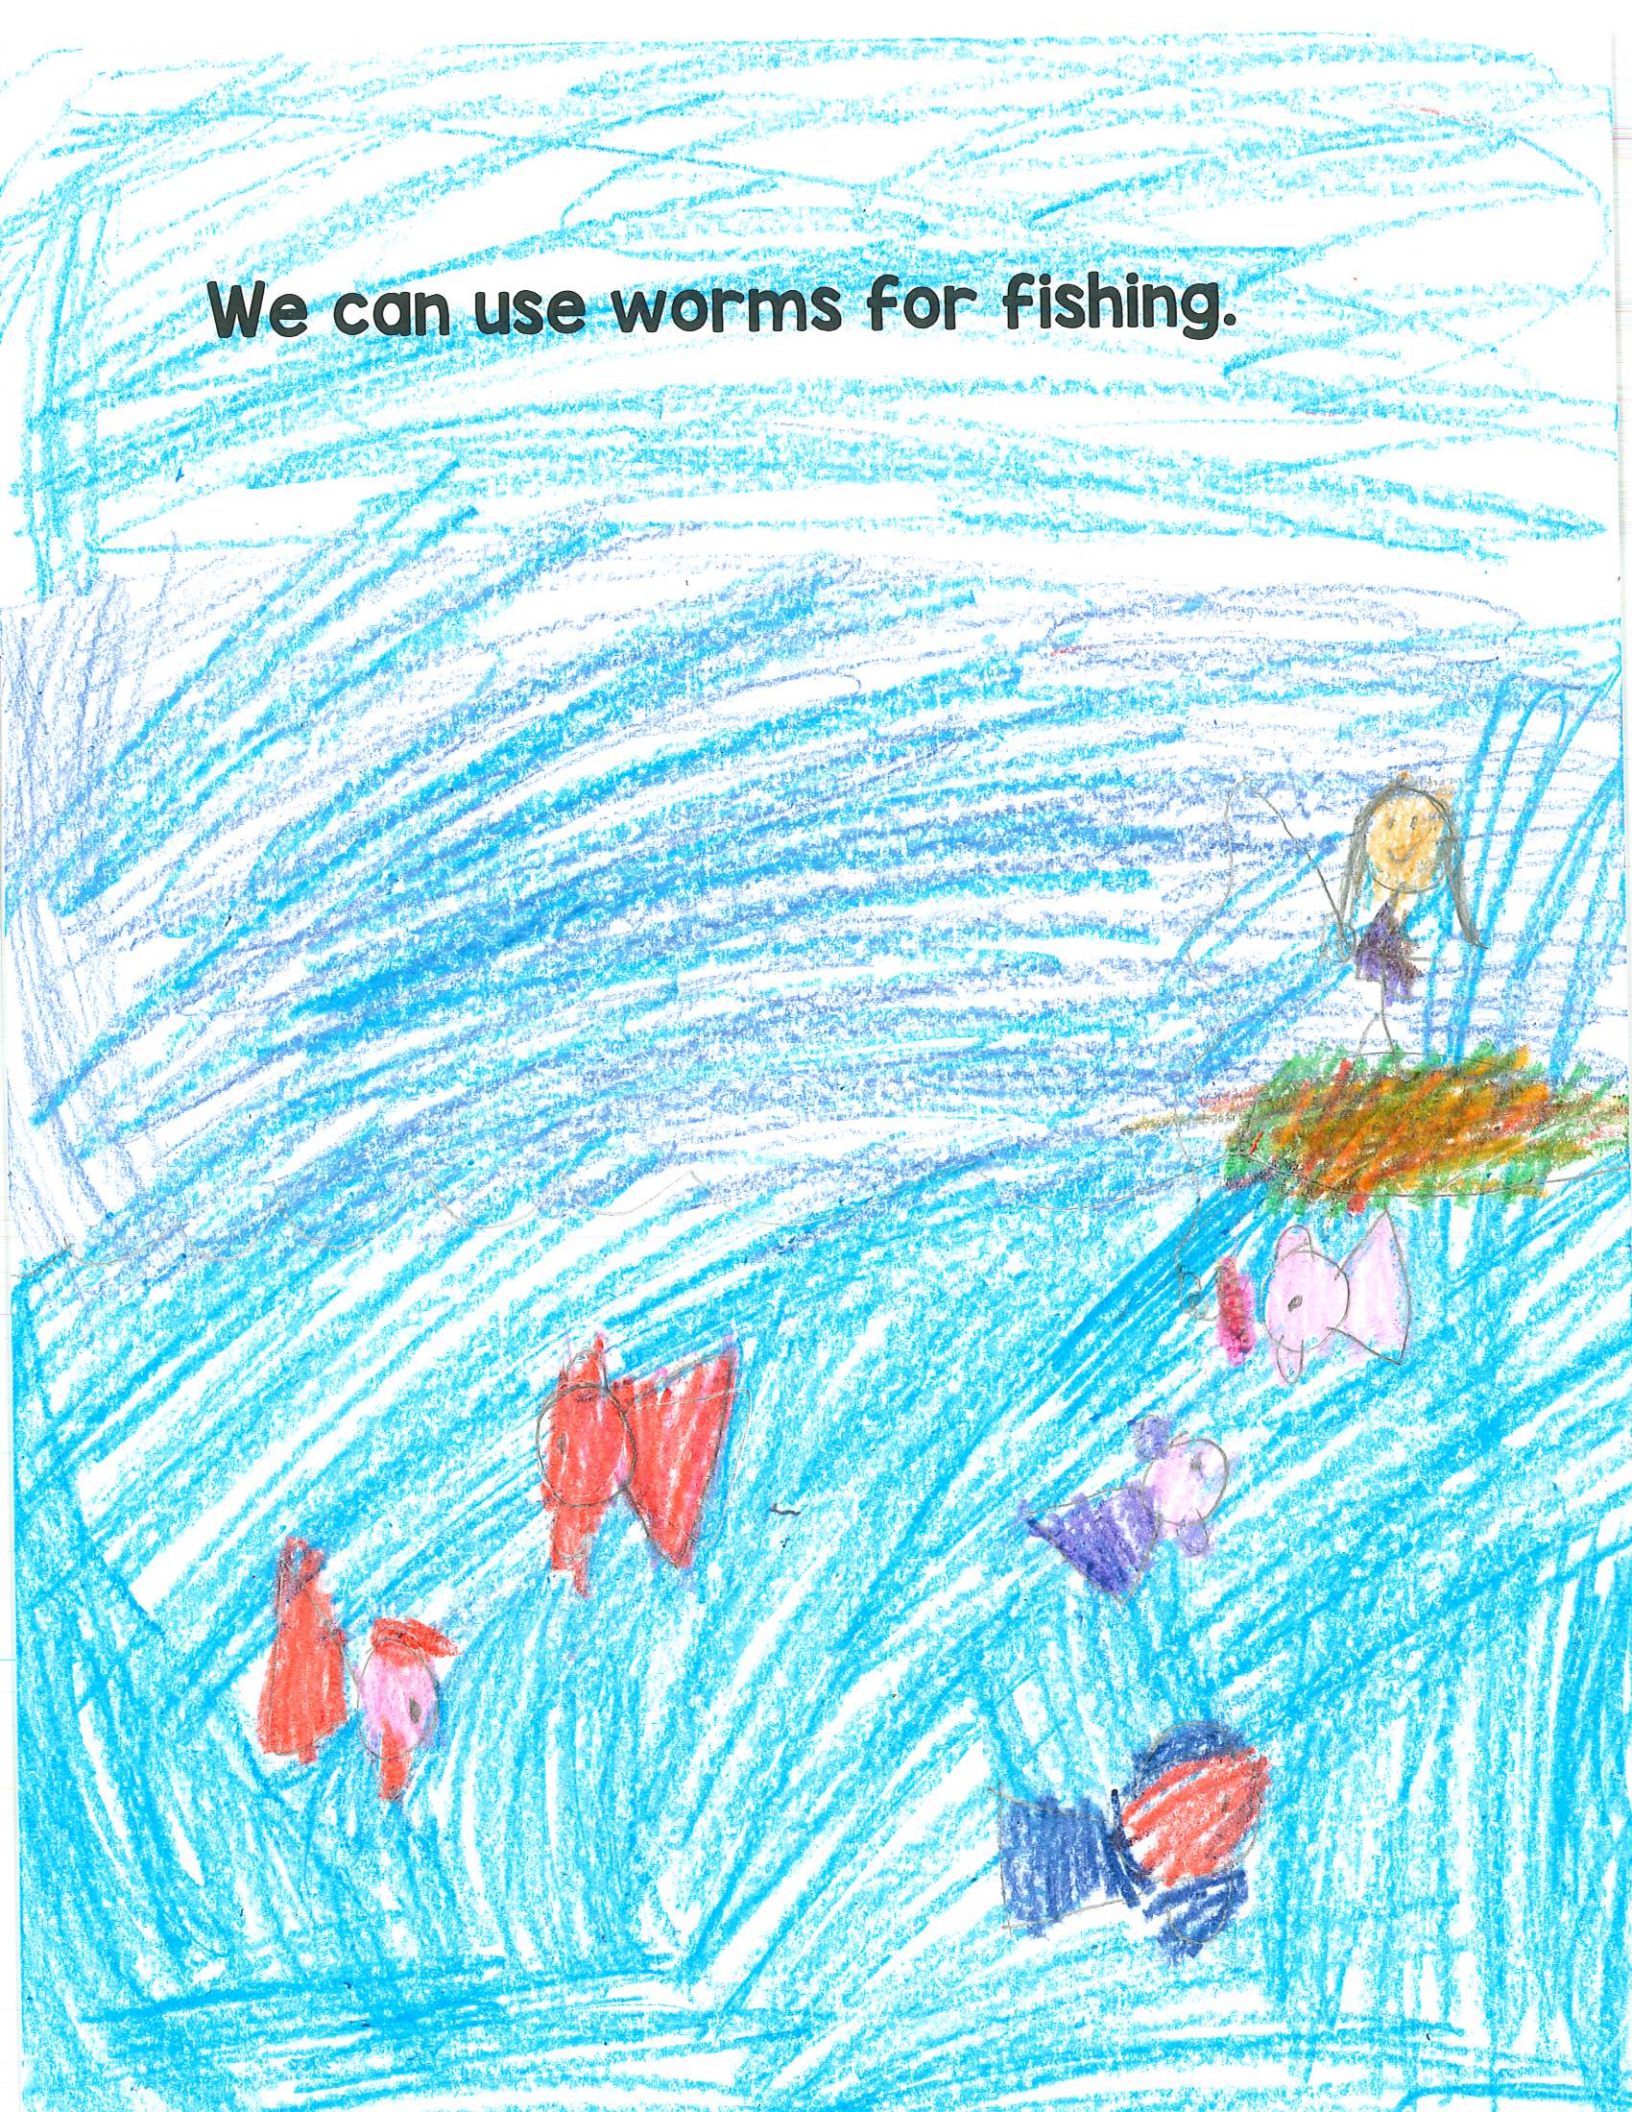

Worms eat strawberries.

**Worms can not live where it is very cold.**

**We can use worms for fishing.**

**Worms eat soil.**

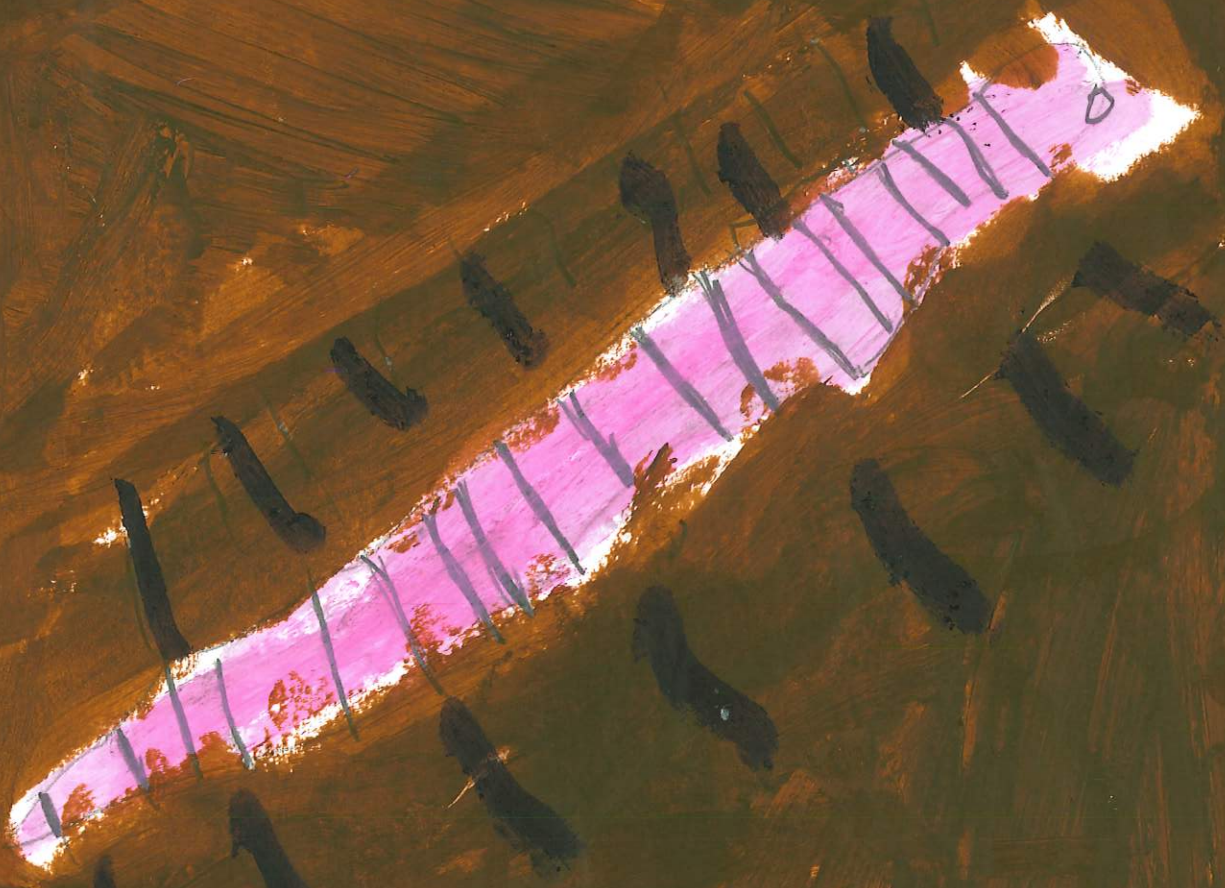

**Worms help the flowers and grass grow.**

**Worms stretch to move.**

Worms breathe through their skin.

**Worms do not have teeth or ears.**

**Worms lay eggs.**

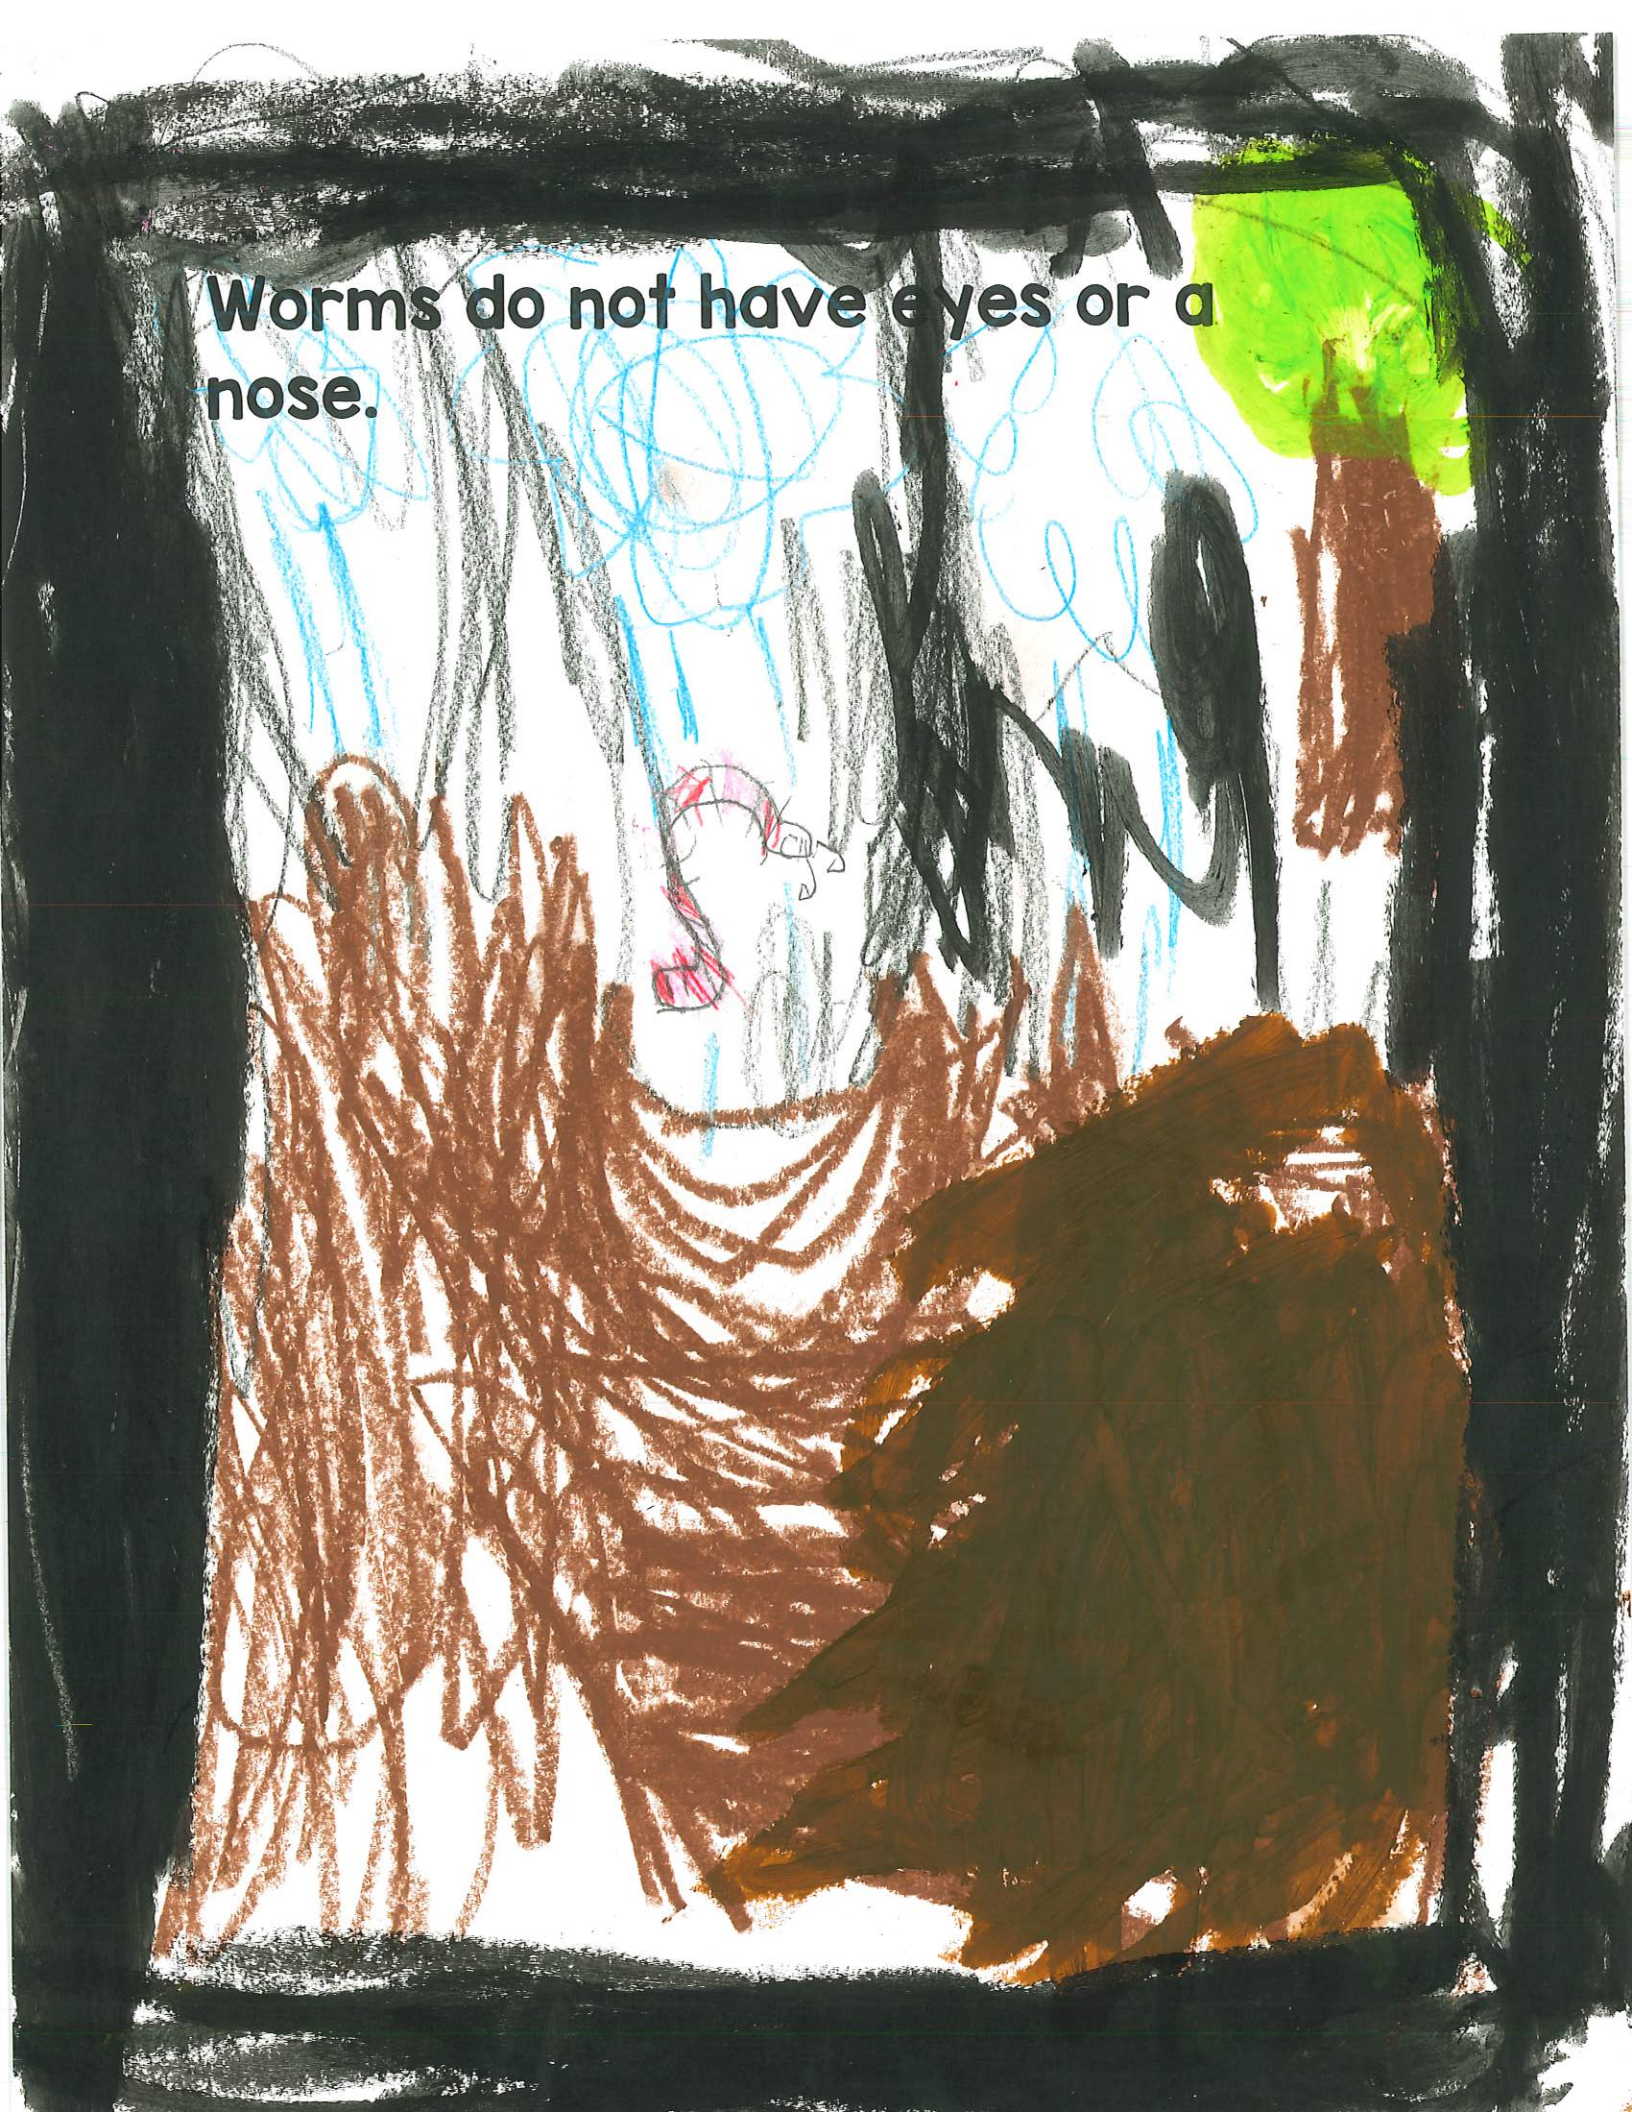

The hairs on a worms body help them move.

**Worms do not have eyes or a nose.**
