

# Hip Hip Hooray! It's the 100<sup>th</sup> Day!

Dear Kindergarten Families,

Our 100<sup>th</sup> day of kindergarten is on Friday, February 8<sup>th</sup>. We will be doing many activities that feature the number 100 in class. We will celebrate the 100<sup>th</sup> day with all kindergarten classes by having 100's day rotations between all classrooms.

I would like each child to bring a collection of 100 objects. The objects should be counted at home and fit in the attached Ziploc bag. We will explore the idea that all collections of 100 do not look the same. Please send in the collection of 100 objects in the bag on **Monday, February 5<sup>th</sup>**

Hooray for the 100<sup>th</sup> Day,

The Kindergarten Teachers
